Message from the President

There have been lots of things happening at Circle I lately. In January, we started 20 basic and mainstream lessons, and eight new Circle I members graduated on March 22. In their honor, we hosted a New Dancer Dance, which was lots of fun. We also have another new member—Ronald Rayburn. He is a new dancer and took lessons with Decatur 8'ers. Let's all be sure he receives a warm Circle I welcome.

Our 60th Anniversary Dance was held on March 30 with 276 in attendance. We gave away most of the banners we had gotten from visitations as well as four Circle I banners to clubs. Jill & Earl will be planning visitations for us to retrieve those banners and get others.

At our business meeting on April 9, the members present voted for the door donation to be waived for all dancers 18 years old and younger. We also agreed to have line dancing starting about 7:10 P.M. and lasting until the workshop or early rounds start at 7:30 P.M. Officers for the coming year were elected; all of this year's officers will be returning for a second year. We have decided to have the 2013 Anniversary Dance on the 5th Friday in May and will be making plans to have another successful dance. It was a very busy meeting and we missed all who were not able to attend.

Our last social event for the year will be a covered dish dinner at the Schell's house in May. Please be watching for further information.

We are very excited about serving as the Circle I President for the second year and will be starting early to make plans for lessons in 2013 and all of the other events. If there is any specific way you would like to help Circle I, please let us know.

See you in a square, **Allan & Dorothy Mussler**

Friendship Dance

Circle I and Cliff Dwellers Friendship Dance on May 11, 2012 at Senter Park East. Since the Cliff Dwellers dance the same night we do, we usually don't have the opportunity to dance with them. Make your plans now to attend this special night of fun and friendship set to music.
